DB

The CC meeting was Called to Order at 5:00 PM

Members Present: Vicki Brown, and Dennis Quintal.

Member absent: Karen Quintal, Marilyn Bott & Peter Gilligan. Also attending were Gordon Powers of 26 North Road and Julie Ostopchuk of 19 Rowell Road.

The Minutes from September 14, 2020 were reviewed and approved.

Correspondence:

1. Received a copy of a Wetlands Permit Application "Request for More Information" to Jamie Cook at 4 Forest Drive from Neil Bilodeau of the NH DES Wetlands Division.
2. Letter from the American Forest Foundation – Request for donations. The EKCC has not done this in the past for a National Foundation and again all agree to not fund a donation this year.
3. Review of the September/October Issue of the NHDES Environmental News.

OLD BUSINESS:

1. Tilton Land extension & Subdivision is still being reviewed by the Planning Board. On Agenda this Thursday.
2. The second annual Pollinator Pathways NH Seed Swap is scheduled for Saturday, Oct. 17 at the Kingston Recreation Center in Kingston.
3. Bank Restoration along the Powwow River. Chris Albert joined the meeting. He informed us that he is leaving Jones & Beach Engineers and starting his own business. He informed us that he will be continuing to work on our project. We informed him that our contract is with Jones & Beach and that it would not be a problem provided the final plans are from Jones & Beach. There was brief discussion about the design and Chris will be back in touch to finalize the plans and application.
4. There was discussion about the Forest Management Plan from Charlie Moreno. It was decided that we would schedule to walk the Railroad Lot on 10-29-20 at 8AM to look for Invasive Species to develop a plan for removal in 2021.

NEW BUSINESS: None
