PUBLIC HEARING:

The Chairman opened the meeting for a public hearing in the case of the proposed Telecommunications Facilities Ordinance. There were no members of the public present for comment or discussion, and the Board pursued its own line of inquiry. Discussion included clarification on Mrs. Sarah Campbell's request that any motion include provision for the ordinance's numbering, the ordinance itself and its paragraphs, to be brought into conformity with the existing ordinances.

Discussion concluded with a change to the last sentence of paragraph X. REMOVAL OF ABANDONED ANTENNAS AND TOWERS. The original wording was "The Town may require that the applicant and/or owner provide annual proof of operation (including but not limited to safety inspections, insurance binders)." The revised wording is to be "The Town requires the applicant and/or owner provide annual proof of operation (including but not limited to safety inspections, insurance binders)."

Mrs. George seconded. The motion was carried (5-0).
