Members present: R. Smith, Sr. Attorney S. La Pointe
 M. Keddy Bldg Inspector J. Conti
 K. George
 R. Donald

meeting convened @ 8:00 pm

I. Frank Wilson of FMR presented a soil survey map for subdivision as requested by the Board. Septic systems were checked by both the State and Town and found to be acceptable. Subdivision was approved for Becker property only. Mr. Wilson was informed that the plat for the Whatmough property would not be signed until the existing barn is removed and the sight meets zoning requirements.

II. Subdivision for Frank and Barbara Colanton, as presented by Charles Grant, was approved.

III. Robert Hart submitted an application for subdivision. Approval will not be granted until Mr. Hart meets the following requirements: Driveway is to be completed
High intensity survey to be specified, and
Mike Zikowski is added as an abutter.

IV. Karen McGinley, represented The University of New Hampshire, submitted plans for the subdivision of 67 acres. The subdivision was disapproved as presented. The Board informed Miss McGinley that UNH needs to do the following: Show boundary adjustments on maps, map numbers, and reduce the number of subdivisions applied for.

Meeting adjourned @10:55 pm
