

PLANNING BOARD  
TOWN OF EAST KINGSTON  
New Hampshire

2007-2008  
*David F. Sullivan, Chairman*  
*Edward Warren, Vice Chairman*

**MINUTES**  
24 October 2008

**CALL TO ORDER:** The meeting was called to order at 7:05 PM.

**MEMBERS PRESENT** – Mr. J Cacciatore, Mr. R Morales, Mr. D Sullivan.

Chairman Sullivan appointed Mr. Cacciatore as a voting member.

The Board was meeting in response to Mr. Erik Newman's objection to the decision regarding the fence around Granite State Gas's above-ground utility valve. As he was not present at that meeting, Mr. Newman wanted to bring additional information to the Board's attention regarding their decision.

Mr. Newman has requested the opportunity to attend the Board's October 13 session to present this information.

One of the stipulations of the Conditional Approval was for Granite State Gas to install the bounds and fence within 30 days of transferring the deeds, and that deadline will expire on November 10. Mr. Newman has requested an extension of that deadline in order to afford him the opportunity to present his information to the Board and not to be in violation of that condition.

This meeting is not a public hearing and since the Board cannot change any decision outside a duly notified public hearing, the Board is meeting only to discuss extending the deadline of that condition so Mr. Newman may attend that meeting.

After some discussion, it was the Board's decision to extend the deadline of the Conditions of Approval.

**MOTION:** Mr. Cacciatore **MOVED** the Planning Board extend the deadline of the Conditions of Approval for Granite State Gas for an additional 7 days. Mr. Morales seconded, and the motion passed unanimously.

Mrs. White shall notify Mr. Newman of the extension.

Mr. Sullivan closed meeting at 7:20pm.

Respectfully submitted,

Barbara A. White  
Recording Secretary

David Sullivan  
Chairman
