TOWN OF East Kingston NH

INVITATION TO BID 2025-2029

The Town of East Kingston, NH (hereinafter “Town”), acting through its Solid Waste and Recycling Committee, requests written bid proposals from qualified, State and or federally licensed solid waste and recycling processing operators to receive and process waste generated within the Town and to provide containers roll offs, and dumpster pursuant to Attachment B

The intent of the bid is to award a contract to a Provider for the receiving and disposal of solid waste and recyclable waste from the Town.

INSTRUCTIONS TO BIDDERS: All inquiries regarding the bid document, bid procedure, and any technical aspect may be directed in writing to the Solid Waste and Recycling Committee through the Selectmen’s office and to Rob Caron rcaron@eastkingstonnh.gov.

A Bidders meeting will be held at the East Kingston Town Offices, 24 Depot Road, East Kingston, NH on Wednesday, May 1, 2024 at 7:00 pm to discuss parameters of the bidding process.

Inquiries submitted less than 48 hours prior to the bid opening will not be responded to. All bid proposals shall be submitted in conformance with this Invitation to Bid and all its sections, any attachments, and any addenda distributed; all requested information must be supplied. Failure to conform with any portion of the Invitation to Bid will be reflected in the evaluation of the bid proposal and may result in the disqualification of the prospective Provider. All addenda and/or additional information distributed will be posted to the Town’s website at [East Kingston, NH | \(eknh.org\)](http://EastKingstonNH.org).

Electronic proposals will be received until 2:30 PM on Monday, July 1, 2024. Proposals shall be submitted electronically to rcaron@eastkingstonnh.gov with “2025-2029 Solid Waste and Recycling Proposal “in the subject line.

Once a proposal is selected, the Solid Waste and Recycling Committee will submit it along with its recommendation to the Board of Selectmen for approval to negotiate and enter a final contract.

INTRODUCTION: The Town of East Kingston, NH is requesting Proposals from qualified firms for solid waste collection services within the Town. These services include residential and municipal garbage collection, transportation and disposal and residential and municipal recycling collection, transportation, processing, and marketing of collected recyclables. See Attachments A. Through G.

The term of this Agreement shall be for a period of five (5) years from and including January 1, 2025, to and including December 31, 2029. This Agreement shall not be subject to any renewal

term and shall expire on December 31, 2029, unless agreed to otherwise in writing by both parties on or before October 1, 2029. This Agreement is contingent upon funding as appropriated at Annual Town Meeting.

INTENT SCOPE OF WORK: The Town is seeking a Provider to provide solid waste and recyclables processing services on a per ton basis. The successful Provider shall provide a state licensed disposal and recycling facility having sufficient labor, materials, equipment, and capacity to receive, sort, and market **single stream** recyclable waste from the Town for the next 5 years. Residents and municipal government generated 750 tons of Solid Waste in 2023. 275 tons of recyclable waste were generated in 2023. The Provider should expect that the Town will generate and need to dispose of a similar amount for each of the next 5 years, subject to the influences of growth, recycling activity, economy, and weather. See waste data: [Monthly Tonnage Reports | East Kingston, NH \(eknh.org\)](#)

The Provider must have sufficient capacity to be able to start picking up solid waste and recyclable waste from the Town on January 1, 2025.

FUNDING The funding for the contract will be subject to appropriation by the Town Meeting. If sufficient funds are not appropriated by the Town Meeting or otherwise legally available to pay for the costs associated with the service, the Town may terminate the contract without penalty.

DETAILED SPECIFICATIONS:

1. Equipment: The Provider shall own and have in good to excellent condition all equipment necessary to pick up solid waste and receive and process recyclable waste delivered to the facility pursuant to the rules and regulations of the facility's operational permits and licenses.
2. Work Standards: All work shall be performed according to the rules and regulations of the facility's operational permits and licenses and to the complete satisfaction of the Town. The Provider must meet all federal EPA and OSHA guidelines in the proper processing, marketing, and disposal of solid waste and recyclable waste delivered to the facility.
3. Definition of Recyclable Waste: The Town's recyclable waste stream includes mixed containers and paper products. Each prospective Provider is required to submit with their bid a clear and detailed list of acceptable recyclable waste and unacceptable waste at their facility.
4. Management of Unacceptable Waste: The Town continues to educate and encourage residents to differentiate between acceptable recyclable waste and unacceptable waste to minimize Recyclable Waste Disposal Services unacceptable waste. Each Bidder is required to submit with their Bid proposal an Unacceptable Waste Management Plan that will address the manner and frequency of periodic audits to assess the percentage of unacceptable waste in the

Town's recyclables deliveries. The calculation procedure, if applicable, for modifying the Town's per ton charge is based on the results of the periodic audits.

The Provider will report data in such a way as to assist the Town in identifying addresses from which high percentages of unacceptable waste are being generated. The Town and the Solid Waste Recycling Committee shall be notified 48 hours in advance of the audit and when, where, and at what time the audit will be conducted and allowing a representative to be present to observe said audit in its entirety if they so choose.

Private entities in Town are free to source solid waste and recyclables pickup with other vendors on the open market).

5. Per Ton Cost Basis: The Provider shall provide a written cost to receive solid waste and recyclable waste on a per ton basis as weighed on the Provider's certified scales at the disposal or recycling facility.

6. Trash and Recycling Flyer. A detailed community flyer describing Trash, Recycling and Collection Services, and containing description of recycling items and schedule suitable for distribution to all residents shall be generated annually by and approved by the Solid Waste Committee. The provider is responsible for copying 1,000 copies to be mailed to each residence by November 15th with the remainder provided to the East Kingston Town Office. See example: [Waste Management Program Flyer 2023-2024 | East Kingston, NH \(eknh.org\)](#)

LIQUIDATED DAMAGES: If the Provider refuses delivery of solid or recyclable waste that meets the definition of recyclable waste at the Provider's processing facility, the Provider shall pay the Town as liquidated damages the additional disposal fee paid by the Town at an alternate processing facility plus the additional transport cost to and from the alternate processing facility. Payment will be made within 30 days of receipt of the submission of a completed invoice for services for the period billed in writing and authorized by the Town or designee.

The amount of solid waste and recyclable waste to be received may be increased, decreased, or omitted as hereinafter provided, and no claim for loss, anticipated profits, or costs incurred will be accepted.

Invoicing Instructions. All invoices shall separately detail Solid Waste and Recycling, the date solid waste and recyclables were received, a brief description of services rendered, per ton rate charged and tons received, and number of containers included by category.

AWARD: It is the intent of the Town to award the contract to the most responsive and responsible Bid Proposal that in combination with the Unacceptable Waste Management Plan submitted with the bid proposal and with the Town's opinion of the cost of transportation to the proposed facility meets all necessary requirements stated in this document and provides

the Town with the lowest costs over time, with terms viewed as most favorable to the Town, and with the satisfactory negotiation of a contract agreement. The lowest cost Bid Proposal may not necessarily be selected, as the Town reserves the right to reject any or all bid proposals or any part thereof, to waive any informality in the bidding, and to accept the bid proposal considered to be in the best interest of the Town.

The Town also reserves the right to conduct reasonable negotiations with the successful Provider. Failure to submit all the information that is called for may disqualify a bid proposal. This procurement is subject to an acceptable contract being negotiated and finalized between the parties prior to September 30, 2024.

CONTRACT AGREEMENT The Provider selected through the award process will be required to enter into a contract agreement with the Town and to execute the contract agreement within ten business days of the date of award unless prior arrangements are made with the Board of Selectmen. This document "2025 - 2029 Solid Waste and Recyclable Disposal Services" and any associated documents shall become part of the contract. Nothing contained in the Contract shall be construed to be for the benefit of any persons not a party to the Contract. No third-party beneficiary rights are created. No waiver by either party of any default by the other party in the performance of any provision of the Contract shall operate as or be construed as a waiver of any future default, whether like or different in character.

DURATION: The duration of the contract will be from January 1, 2025, through December 31, 2029.

NON-ASSIGNMENT: Neither the Provider nor the Town shall assign, transfer, convey, or otherwise hypothecate the contract or their rights, duties, or obligations hereunder, or any part thereof without the prior written consent of the other, which consent shall not be unreasonably withheld.

TERMINATION: The Town, acting through the Board of Selectmen, retains the right to terminate and dismiss the Provider for non-performance, or inferior performance, with five (5) business days' notice. Additionally, the Town, acting through the Board of Selectmen, reserves the right to negotiate an agreement with the next qualified Provider to carry out the provisions of the Invitation to Bid.

INSURANCE REQUIREMENTS: The contractor shall purchase and maintain through completion of the work comprehensive general liability and automobile and truck liability insurance as will protect the Contractor for all claims and liabilities for damages for bodily injury and including accidental death and for property damage, which may arise for operations under the contract whether such operation by the Contractor or by anyone directly or indirectly employed by the Contractor. Such coverage shall be in the amount of at least two million for each occurrence and

general aggregate. The contractor shall also maintain such additional insurance as may be required by the State of New Hampshire for hazardous waste transporters.

All liability policies shall include the Town of East Kingston, New Hampshire as named additional insured and identify the certificate holder as follows:

Town of East Kingston, Attn: Board of Selectmen, 24 Depot Road, East Kingston, New Hampshire 03827.

Written notice shall be given to the Town of East Kingston, NH as least 30 days prior to cancellation or non-renewal of such insurance. The Contractor shall submit evidence of insurance to the Town as the time of execution of the contract.

LAWS, PERMITS, AND LICENSING: It shall be the Provider's responsibility, and anyone employed by the Provider to adhere to and comply with all federal, state, and local laws, regulations, and codes, as well as with all standards and practices relating to the work being performed or the services provided. In addition, it is the Provider's responsibility, and anyone employed by the Provider to procure and keep in effect all licenses, permits, notifications or other regulatory requirements relating to conducting the provisions of the Invitation to Bid.

RESERVATION OF RIGHTS The Town, acting through the Board of Selectmen, is not responsible for any costs incurred by respondents regarding the preparation of submissions in response to this Invitation to Bid or in responding to any request for interviews, and/or requests for additional information which shall be the sole responsibility of the submitting respondents. A bid proposal submission is not to be construed as creating any contractual relationship between the respondents and the Town. The submitted Bid Proposal does not commit the Town to award a contract to procure or contract for the services solicited. The Town, acting through the Board of Selectmen, reserves the right to reject any or all bid proposals received, to waive technical or legal deficiencies, to waive any informality of the bid proposals received, to omit any item or items, to proceed or not to proceed with any subsequent interview process, and/or to accept any bid proposal and to negotiate without further process any contract as may be in the best interest of the Town. The decisions of the Board of Selectmen shall be final.

The Town, acting through the Solid Waste and Recycling Committee and Board of Selectmen, further reserves the right to undertake such investigation as it deems necessary to evaluate the qualifications of the respondent and to evaluate the bid proposal submittal.

The Town is an equal opportunity employer. All qualified respondents will receive consideration without regard to race, color, religion, sex, sexual orientation, gender identity or expression, pregnancy, age, national origin, disability status, genetic information, protected veteran status, or any other status or characteristic protected by law.

SUBMITTAL REQUIREMENTS: No bid proposal will be considered which stipulates that the Town guarantees a particular quantity of recyclable waste. All prospective Bidders are expected to carefully examine this Invitation to Bid and all its sections, any attachments, and any addenda distributed before submitting a bid proposal. Failure to do so will not relieve the Provider of the obligation to fulfill the conditions of the Invitation to Bid. The submission of a bid proposal shall be considered prima facie evidence that the Provider has made such an examination and has considered the Town's intent. A bid proposal which is incomplete, conditional, or obscure, or which contains erasures, alterations, or other irregularities of any kind, or in which errors occur or contains abnormally high or low costs, will be rejected. A bid proposal that includes any discounts, refunds, conditions, terms, or requirements that affect the per ton bid proposal price will be rejected in their entirety without further consideration. The bid proposal must contain the full name of the company address and primary contact person. Failure to sign the bid proposal will disqualify the submitting bidder. The person signing the bid proposal shall show title or authority to bind the company in a contract agreement. No telephoned emailed withdrawals of a bid proposal will be allowed; All words and figures shall be written in ink. In case of a discrepancy between the figures and the words, the written words shall govern.

Electronic Submission:

All prospective Bidders are required to provide the following information with, and in the order that follows:

1. Bid Proposal Form and Attachments A - E.
2. 4. List of acceptable recyclables and unacceptable waste
3. Summary of Qualifications
6. A list of three (3) references for which comparable services have been provided. This list shall include municipality name, person to contact, address, and telephone number. Failure to include references will be ample cause for rejection of the bid proposal as non-responsive. Preferred references include other local government. See Bid Proposal Form.
7. Copies of all applicable licenses of all receiving and processing facilities that are to be involved in the work.
8. Profit and Loss Statements and Balance Sheets must be provided for the years 2019-2023
9. Certificates of Insurance
10. Proposal Copies: Five sets of the complete proposal shall also be provided to the Board of Selectmen within 24 hours of the bid date.

Town of East Kingston Solid Waste and Recycling Request for Proposals 2025-2029

Proposals will be received until 2:30 PM on Monday, July 1, 2024. Proposals shall be submitted electronically to rcaron@eastkingstonnh.gov with “2025-2029 Solid Waste and Recycling Proposal” in the subject line.

POSTING AND REVISIONS OF BIDS All addenda and/or additional information distributed related to this Invitation to Bid will be posted to the Town’s website at [Board of Selectmen | East Kingston, NH \(eknh.org\)](https://www.eastkingstonnh.org/BoardofSelectmen).

RETURN OF BID PROPOSALS A prospective Bidder may withdraw its bid, upon electronic request to the Board of Selectmen before the time of opening. Late bids will not be accepted and may be returned to the Bidder. Correction or withdrawal of inadvertently erroneous bids before or after award, or cancellation of awards or contracts based on such bid mistakes, shall only be permitted at the Board of Selectmen’s sole discretion. However, no changes in the proposed cost(s) or other provisions of the bid prejudicial to the interests of the Town or fair competition shall be permitted. Except as otherwise provided by regulation, all decisions to permit the correction or withdrawal of a bid, or to cancel awards or contracts based on errors or omissions, shall be supported by a written determination made by the Board of Selectmen. No bid may be withdrawn when the result would be to award the contract to another bid from the same Bidder or to another Bidder in which its percentage of ownership of the withdrawing Bidder is more than five percent. If the Town denies the withdrawal of a bid, the bidder shall be notified in writing stating the reasons for the decision.

DISQUALIFICATION A prospective Bidder may be disqualified, and their bid proposal rejected for any of the following reasons: 1) failure to supply complete information as requested by this Invitation to Bid, 2) the lack of experience of the prospective bidder, or 3) evidence of collusion among other bidders. Any bid proposal(s) rejected for reason #3 will disqualify the bidder(s) involved from consideration in future dealings with the Town.

GOVERNING LAW AND VENUE This Invitation to Bid, the Bid Proposal Form, addendums, and any document(s) to be signed or contract to be entered into shall be governed by the statutory and common laws of the State of New Hampshire and venue shall lie in the State Courts of the State of New Hampshire as to any dispute. In the case of a discrepancy between the figure amounts and the words, the written words shall govern. Attach the proposed list of acceptable recyclable waste and unacceptable waste, and the Unacceptable Waste Management Plan.
