ZONING BALLOT QUESTIONS

ARTICLE 2:

Are you in favor of the adoption of the following zoning amendment to the existing town zoning ordinance as proposed by the Planning Board of East Kingston as follows:

Ordinance in *italics*, strike-through words deleted, new text in **bold**.

ARTICLE XIV - SEPTAGE/SLUDGE DISPOSAL FACILITIES (Adopted 3/91)

B. *Permit Required*

b.1 Existing Septage/Sludge Disposal Facilities in existence prior to the adoption of this amendment may continue operations pursuant to maintaining compliance with all requirements of Article XIV.

In order to operate a septage/sludge disposal site, a five (5) year permit must be obtained from the Board of Selectmen which shall run concurrently with the required State of New Hampshire permit. The Selectmen shall issue a septage/sludge disposal site permit after a public hearing (with notice as per RSA 675:7) provided the provisions of this section (and other applicable Town, State, and Federal regulations) are met. Application for a permit renewal must be submitted to the Selectmen's Office at least 60-days before the expiration of an existing permit. (Amended 3/94)

b.2 No new Septage/Sludge Disposal Facilities will be approved and/or allowed within East Kingston as of the adoption date of this amendment.

ARTICLE 3:

Are you in favor of the adoption of the following zoning amendment to the existing town zoning ordinance as proposed by the Planning Board of East Kingston as follows:

Ordinance in *italics*, strike-through words deleted, new text in **bold**.

ARTICLE VIII - USES PERMITTED

F. *Accessory Dwelling Units.* (Adopted 3/05) (Amended 3/17)

g. *Septic facilities and water.* An accessory dwelling unit shall conform to all applicable water and sanitary standards for residential structures.

Prior to Special Exception approval by the Zoning Board of Adjustment for an Accessory Dwelling Unit, the owner shall provide evidence as part of the Special Exception application that septic facilities are adequate to serve both the principle dwelling and the accessory dwelling unit. This initial evidence shall be in the form of a replacement septic system design plan prepared by a state licensed Septic System Designer sized to accommodate both the primary dwelling and accessory dwelling. The Zoning Board of Adjustment Special Exception approval shall be conditional upon approval of the septic replacement plan by the NH Department of Environmental Services. Alternatively, if the existing septic system is state approved and adequately sized to accommodate both the primary dwelling and accessory dwellings and conforms to state and local requirements, an applicant may choose to submit a copy of the existing septic system plan and an inspection report by a state licensed Septic System Designer detailing the condition of the existing system.

Prior to a dwelling renovation or accessory dwelling unit construction, the owner shall provide evidence to the East Kingston Building Inspector that septic facilities (whether separate or combined) are adequate to serve both the principal dwelling unit and the accessory dwelling unit and obtain the necessary Town and State permits. Such evidence shall be in the form of a replacement septic system plan prepared by a State of New Hampshire licensed septic system designer and approved by the State and the Town. The property owner shall have an existing septic system inspected by a licensed septic system inspector and provide a report of the inspection results. If the existing septic system is found to be not fully functional, the property owner shall install a replacement septic system according to the approved plan. The property owner shall provide evidence that there is adequate potable water (whether separate or combined) to serve both the principal dwelling and the accessory dwelling unit, according to State standards.
