Observed Holidays

Collections will only be delayed for the holidays that fall on Mondays. The following holidays will result in delayed collections.

- Memorial Day:** Monday, May 27, 2024
- Independence Day:** Thursday, July 4, 2024
- Labor Day:** Monday, September 2, 2024
- Thanksgiving Day:** Thursday, November 28, 2024

- Christmas Day:** Wednesday, December 25, 2024
- New Year's Day:** Wednesday, January 1, 2025

Collection Dates for Bulk Waste & White Goods/Electronic Waste

Bulk Waste Day: Monday, May 13, 2024 and Monday, September 23, 2024
White Goods/Electronic Waste: Monday, October 14, 2024

Maplevale and Cricket Hill

Recyclables - All acceptable recyclable materials are collected together in 30-yard custom containers, with easy access doors. This system allows the Town to recoup the potential recycling savings and keep materials from going to the landfill.

Trash - Solid Waste will continue to be picked up in dumpsters currently located on Holly Lane.

**** THE TRASH AND RECYCLE DUMPSTER ON HOLLY LANE ARE RESTRICTED FOR THE EXCLUSIVE USE BY THE RESIDENTS OF CRICKET HILL AND MAPLEVALE CONDOMINIUM ASSOCIATION ONLY****

Country Hills and Cornerstone

Recyclables - All acceptable recyclable materials can be placed in the 96-gallon green cart for each residence. The recycling carts are the responsibility of the resident, and should be placed curbside every other Monday according to the GREEN weeks on the Recycling Collection Schedule on the back panel of this brochure.

Trash - Solid waste will continue to be picked up in designated dumpsters. Country Hills and Cornerstone communities are on the Green Weeks Recycling.

What should I do if I have a problem with the cart?

Your carts are made of durable plastic and should give you years of maintenance-free use. If a problem does arise such as a broken wheel or lid, please call the Town Office (603) 642-8406, Option #1.

Mon, Tue, Thur, Fri: 8 a.m. - 2:30 p.m. Wed: 11 a.m. - 7 p.m.

I have more trash than can fit in the 64-gallon trash cart. What should I do?

Experience in a range of communities has shown that the 64-gallon cart is more than adequate for most homes, presuming you recycle all paper, bottles, cans, plastic and paper materials appropriately.

I'm planning to clean out the garage and have a lot of refuse to get rid of right away.

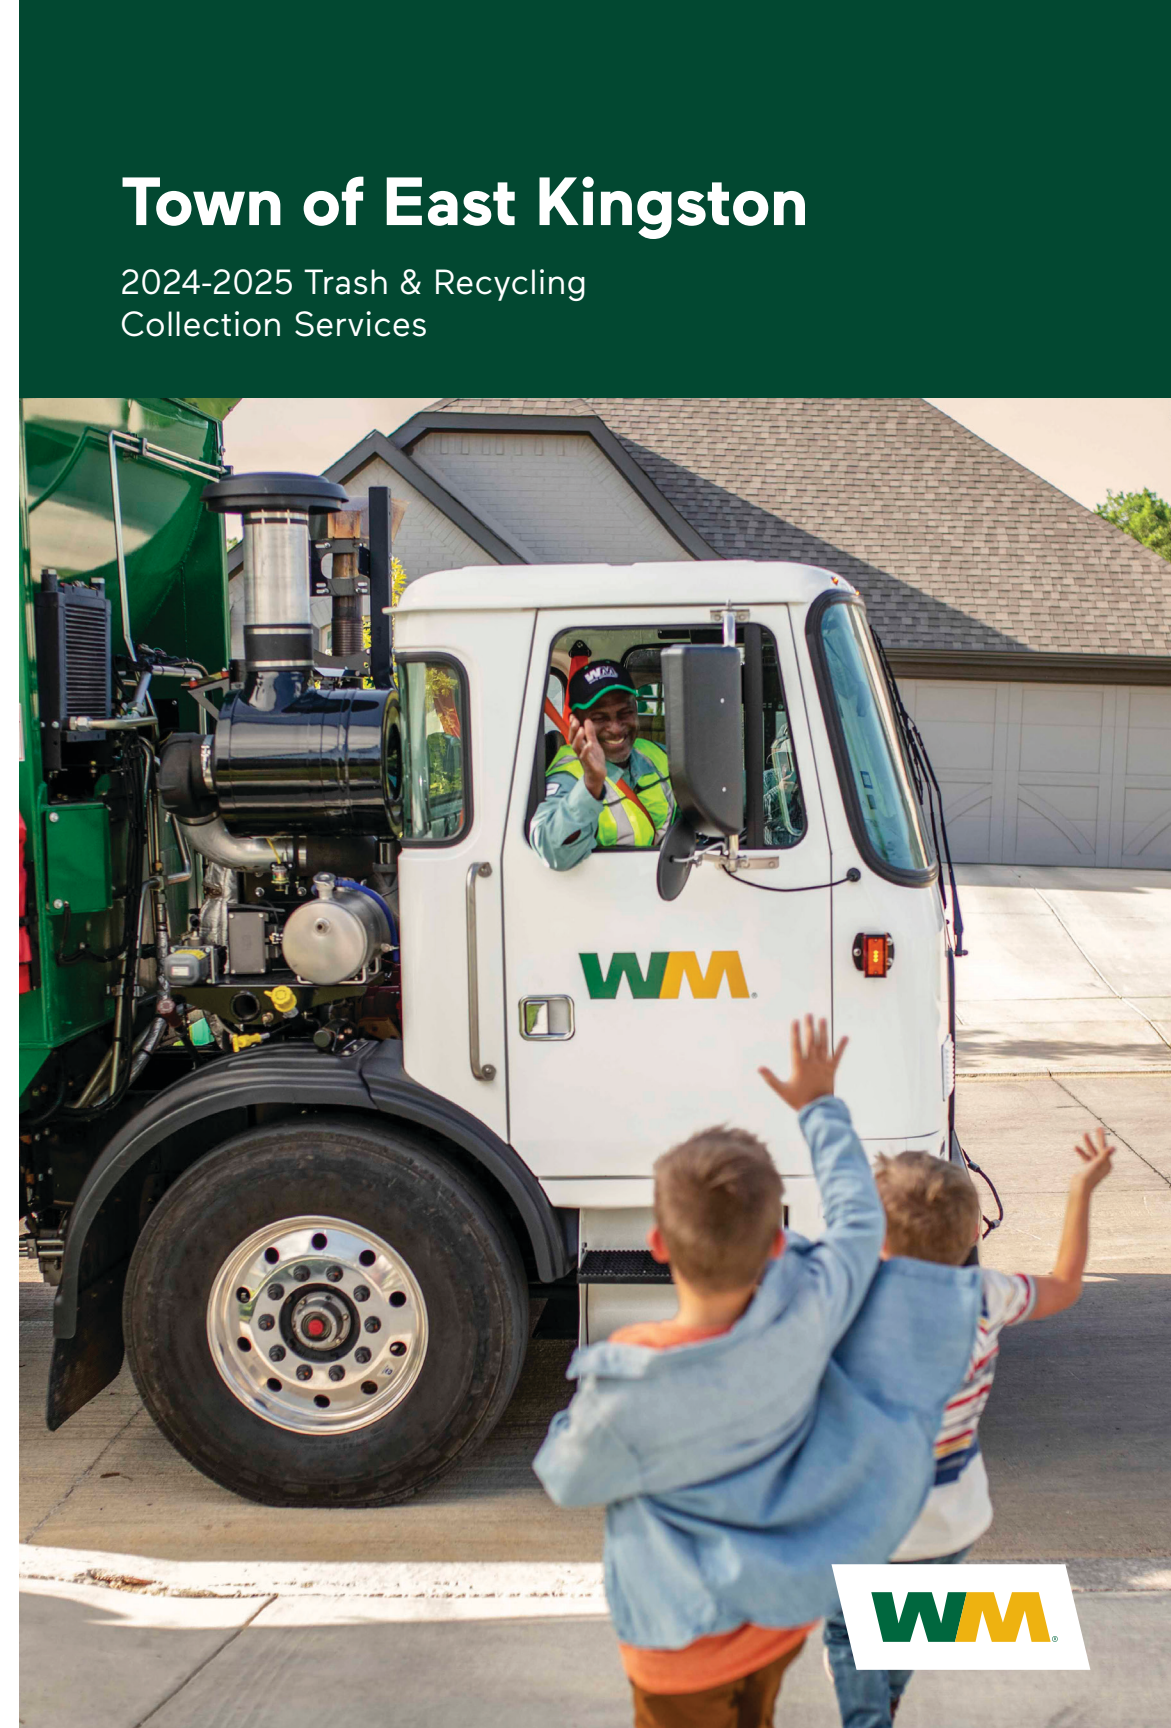

You can take advantage of the bulky item collection as noted in the calendar, or WMs The Bagster may be another solution. You can buy The Bagster at any Home Depot, Lowe's or other local hardware stores for \$29.99. Fill the Bagster, then call the WM number on the package to have the Bagster collected.

Please go to TheBagster.com to see more on The Bagster and how much collection is in your area.

SAVE THIS PAMPHLET FOR FUTURE REFERENCE.

Important Information Inside about your Trash and Recycling Services

Town of East Kingston

2024-2025 Trash & Recycling Collection Services

Dear East Kingston Resident:

WM would like to take this opportunity to provide you with updated information related to waste and recycling services in the Town of East Kingston. We look forward to helping East Kingston be as clean and green as possible!

Schedule

Trash will be collected weekly, and recycling collection will occur every other week. All materials should be placed at the curb by 7 a.m. on your collection day. Collections will only be delayed for holidays that fall on Mondays. Please refer to the calendar on the last page to identify your service days.

Placement

The placement of carts at the curb is very important since the truck's lifting arm requires a clearance of 3 feet on either side of the cart and 12 feet overhead.

The carts should be no more than 3 feet away from the road's edge, with the arrow facing the road and the hinges facing away from the street.

Leave 3 feet between your solid waste and recycling carts when placing them curbside to allow the truck to collect both easily.

Trash

All regular household refuse should be bagged and placed in the GRAY 64-gallon cart or community dumpster. Items outside of the cart or dumpster will NOT be collected.

The following items may NOT be placed in the gray 64-gallon trash container or community dumpsters:

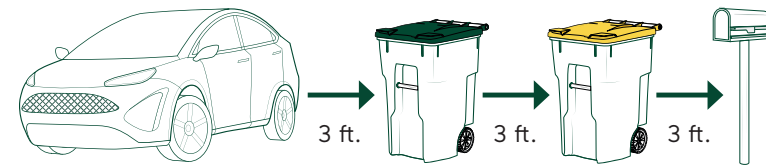

- Recycling
- Yard Waste
- Dirt, sod, concrete or rock
- Construction, demolition debris
- Household hazardous waste
- Hot ashes or flammable materials such as oil, gas or paint

Recycling

Each household has been provided a 96-gallon GREEN cart for recycling. Recycling not only conserves precious natural resources, it also helps to reduce costs by decreasing the amount of materials that go to the landfill. But it is important that East Kingston residents recycle the right materials and place only acceptable items in the recycling cart. Please refer to the calendar on the last page to identify your service days.

Proper Cart Placement.

Please place your cart at least 3 feet apart and 3 feet away from any obstacles (trees, cars, mailboxes, etc.) to allow the automatic arm to lift and empty the cart. Place the wheels of the cart towards the house.

All trash must be bagged and fit inside the cart with the lid firmly closed. Material outside of the cart will not be collected.

Have your carts at the curb the night before or **no later than 7 a.m.** on your collection day.

Bulk Waste

The Bulk Waste pickup requires a sticker system such as the one we use for the White Goods. Each household will be allowed 2 free stickers and may purchase additional stickers for \$20 each. They must pick them up at the Town Clerks Office. Town Clerks Office (603) 642-8406 Option #2.

Town Clerks Office hours are: Monday: 8 a.m. - 5 p.m.

Tuesday, Thursday, Friday: 8 a.m.-2:30 p.m. Wednesday: 5 p.m.-7 p.m.

A log will be kept to record each household that picks up their free stickers as well as any purchased. Bulky items are defined below, any other items will not be picked up even if they have a sticker.

Bulky Waste is defined as: A large item or bundle other than commercial construction and demolition debris, hazardous waste, White Goods or CRT's, which cannot fit into a cart. Items shall include, but not be limited to: tables, chairs, couches, bed frames, mattresses, bedsprings, grills, lawn mowers (without fuel tank), bathroom fixtures, etc.

Bulky Waste Pickup Days: Monday, May 13, 2024 and Monday, September 23, 2024

Maplevale residents on side streets need to bring bulky items out to Maplevale Road. Cricket Hill is a private road with limited access for large trucks and will not participate in Bulk Waste Collection.

White Goods and Electronic Waste

White goods, like household appliances, and electronic waste will be collected on Monday, October 14, 2024. REMINDER: each white good or electronic item placed at the curb will require a \$20 sticker purchased from the Town Clerk.

Then call WM with the sticker number(s) the week prior to collection to notify them what white goods or electronic waste you'll be placing at the curb. WM (800) 972-4545.

No calls will be accepted after Friday, October 11, 2024 at 2 p.m.

Acceptable electronic waste is limited to the following items:

VCR's	Scanners
DVD players & recorders	Small servers
Portable digital music players	Satellite receivers
Video game systems	Cable receivers
Fax machines	Digital converter boxes

Any computer, peripheral device such as but not limited to:
Televisions Monitors Printers Computers

Need an Additional Cart or Have Questions?

Town Office Phone: (603) 642-8406, Option #1.

Mon, Tue, Thur, Fri: 8 a.m. to 2:30 p.m. | **Wednesday:** 11 a.m. - 7 p.m.
