

Solid Waste Removal and Recycle Committee Meeting Minutes, – September 25,, 2019

Members Present: Ron Morales, Dan Guilmette and Bud Staples

Excused Absence: Amy MacDonald

Absent: Rob Caron

Attendees: Peter Lachapelle – Waste Management (WM)

Special Meeting called to order @ 1:00 PM by Chair Ron Morales

The Bulk pickup on Sept 23rd was considered a huge success as the sticker program minimized tonnage and reduced units to 180 items. This also allowed WM to complete the pickup in one day. As residents were allowed up to two free tickets, only 23 tickets warranted a \$15/each fee collection which yielded \$345 to the town. Peter (WM) had not yet received the tonnage report for this recent program, but he estimated tonnage to be 4 to 5 tons, a considerable reduction from last year. Ron thanked Bud for his efforts in obtaining new stickers for the Bulk Program in time for this collection.

Non-Public

Chair Morales Motioned to go into non-public session at 1:08 PM citing RSA 91-A: 3. Bud Staples Seconded. Chair Morales polled the Committee with Morales Yes, Guilmette Yes and Staples Yes.

The Committee was polled and it was determined divulging confidential information from a vendor was not appropriate until and if accepted by the Committee and Board of Selectmen, at which time this would become public information.
